- MDIS English Test scores must be equivalent to IELTS 5.5 and above

MDIS DUSHANBE

Founded in 1956, the Management Development Institute of Singapore (MDIS) is one of Singapore's oldest not-for-profit professional institutes for lifelong learning. MDIS has overseas campuses in three countries - MDIS Tashkent in Uzbekistan, Kolej MDIS Malaysia in Johor and MDIS Dushanbe in Tajikistan.

MDIS is the first tertiary education institution from a South East Asian country to establish a representative office in Dushanbe. MDIS Dushanbe offers a structured academic pathway, in which the specialities are aligned with the vector of social and economic evolution, set by the government of the Republic of Tajikistan, aiming to facilitate the development of the country. Starting with the Foundation Year Certificate Programme (FYC), MDIS Dushanbe presents an alternative fast track, providing a strong academic foundation for students to meet the direct entry requirements for Degree programmes. Upon successful completion of the FYC programme, students are able to progress to the undergraduate programmes, and strive for their Bachelor's Degree with renowned UK Universities in partnership. Subsequently, graduands can pursue their postgraduate studies to obtain a Master's Degree that boosts employability and enhances career opportunities.

MDIS Dushanbe constitutes a gateway to globally-recognised academic programmes and advocates a holistic learning experience, providing students with future-ready skills through career-focused Certificate and Diploma level programmes. Through its academic track from the FYC to Master's Degree programmes, MDIS Dushanbe empowers students to pursue their educational aspirations and unlocks a myriad of opportunities in their chosen fields. The combination of academic excellence and practical skills development allows MDIS Dushanbe to prepare students for illustrious career successes in an increasingly competitive global landscape.
